How does Grafia, Ltd. use the SUSCOM project

- **We have benefited from the wider range of the possibilities of target groups**
- **We have obtained some new groups for trainings (comunities)**
- **We have broaden the offer for other target groups**

How does Grafia, Ltd. use the SUSCOM project

- **We got know about culture environment of our project partners**
- **We have benchmarked the educational environment of various countries**
- **We got inspiration from the socio-economically developed countries**

What is our view at SUSCOM

- **The model is suitable also for civil education**
- **Also it is suitable for various self-help groups**
- **Suscom also works for closed communities (migrants etc.)**
- **As well as Suscom model works for free-time activities (sharing knowledges)**

Thanks for your attention!
