

# Northwest Regional Pact for Employment and Social Inclusion - Romania (PROIS-NV)

Investing in the People of Northern Transylvania

Conference in Krakow, 2014

# PROIS-NV: Short description

- At present: 77 members representing all areas of interest and all counties \*
- Over 110 EFS co-financed projects are implemented by the member organizations\*, bringing investments of over € 500 million.

# Role of the Regional Pact for Employment and Social Inclusion

- To advocate for the members and the region's interests to the Romanian and European authorities
- To encourage the relevant initiatives and actions which lead to the meeting of the objectives set according to regional policies
- To mobilize the stakeholders for the development of partnerships, i.e. the only viable solution for socio-economic development.

# PROIS-NV – A Brief History (1)

- **2006 September 18th:**  
43 institutions and organizations from the Northwest Region signed off the Charter for the Regional Pact for Employment and Social Inclusion

- **2007-2008:**  
Several initiatives and meetings of the members confirmed the interest in the development of the partnership

- Fall 2008:**  
Kick-off of the EFS-co-financed project: Permanent Technical Secretariat of the Pact. It offers a framework and the resources to revitalize the regional and local partnerships for employment and social inclusion

  - the setting up of the operational Commission for the monitoring of PRAO NV 2009-2013
  - the setting up of a partnership with the Council for Northwest Regional Development
- 2. Advocacy for the interests of member organizations and institutions**
  - memorandum presented at the International Conference of Pacts, Bucharest, February 2011
  - getting into contact and exchanging practices with regions and partnerships from Romania and from other EU countries
- 1. Developing the structure of PROIS-NV and getting it operational**
  - supporting the partnerships from the Northwest development region
  - supporting the development of the Permanent Technical Secretariat
  - organizing public debates on topic issues for PROIS-NV
  - increasing the visibility of PROIS-NV in the public space

# Technical Permanent Secretariat of PROIS-NV

Strategic planning – Training – Consultancy and assistance -  
Information

# PROIS-NV now

Deep involvement in the national and regional programming of the European Union structural assistance for 2014-2020

Assistance for the members in writing, implementing and reporting different sorts of projects

Trainings and information activities towards the members

Looking for more efficient means to have the communities more involved in the development projects

International cooperation (direct participation in various project and support for the member's initiatives)

# SUSCOM & PROIS-NV

- To inspire with practical model of sustainable community learning and innovative practices developed and shared by those working in the area of adult education.
- To strengthen the links with key players / professionals who already have contacts within communities
- Stimulator for External Organisations
- To supply information about the current and future learning needs of the community

# SUSCOM & PROIS-NV

- To generate interest, establish learning needs from within the Community and to promote learning opportunities through the skills exchanges.
- To increase financial opportunities-links to tools produced for community organisations to develop business plans but
- To ensure the quality in all the processes through simple evaluation techniques.

# Thank you!
